

City of Yarra Grant Guidelines

Room to Create Responsive Grant Program

BACKGROUND

Yarra is often referred to as an 'engine room' for the arts because of the many small to medium sized arts organisations that make up much of our creative footprint. There are over 50 live music venues, more than 60 galleries and artist run spaces, and numerous creative hubs and studios.

The creative sector has been identified as an important, emerging industry which is associated with innovation and facilitating economic growth. The creative sector in Yarra represents 11% of total employment, and 21% of all businesses in the municipality.

The Room to Create Responsive Grant Program is a Council initiative that is intended to help creative spaces and live music venues stay in Yarra. The Program is designed to be quick response and it is incentivized.

The Program pool is \$25,000 per annum and funding is capped at \$2,000 for a standalone grant or at \$5,000 for a matching grant – when the applicant is able to make a matching contribution towards the project.

The funds may be used for goods and/or services that will assist the creative space to operate in Yarra. For example, funds can be used for:

- infrastructure works, such as fit out of a studio and purchase of built-in equipment
- acoustic treatment related works, such as installing insulation, air locks, sound absorbing materials, gap seals etc.
- town planning consultants to obtain advice relevant to maintaining a creative space in Yarra, including advocacy where a nearby development is proposed
- consultant fees related to improving accessibility of the space
- acoustic consultant fees and measuring devices/equipment
- building surveyors fees related to assessment of an existing building
- other materials and/or services that may assist with the venue's management of noise and patron behavior related complaints

TIMELINES

Applications are open on 1 July 2017, and remain open until 30 May 2018, or until the funding pool is exhausted.
