

COVIDSafe public event registration form

Submission date: **4 February 2021, 8:53PM**

Receipt number: **2498**

Related form version: **20**

I have reviewed the self-assessment tool. My event is categorised as a:

Tier 3 event - low complexity events with less than 1000 attendees and low public health risk factors.

Event name

In the Park

Event description

Barpirdhila and City of Yarra present: In the Park, an outdoor live music series running throughout Yarra's iconic public parks across weekends in February 2021. See and hear live performances from a combination of established and emerging First Nations artists, including The Merindas, Key Hoo, Birdz, Lauren Sheree, and Lil Kootsie. Each performance will occur in a different public park in the City of Yarra, in the picturesque rotundas and stages, on Wurundjeri and Boon Wurrung Country. Barpirdhila's vision is to develop, nurture, and support First Nations excellence within the creative industries, by creating spaces and programs for emerging and established artists. Programs are nationally-focused, and reflective of community needs to develop skills with industry professionals and in a culturally strong and safe environment. Barpirdhila are especially dedicated to prioritising the empowerment of First Nations women and girls. All events in this series are family friendly. Event program Saturday 06 Febr

Number of attendees

100

Event start date

21/02/2021

Event start time (eg 10.30am)

2pm

COVIDSafe Event Checklist: Oversight and Administration

Check the Victorian Government's coronavirus website (https://www.coronavirus.vic.gov.au) on legislative requirements and specific restrictions that may apply.	Implemented
Identify key staff or volunteers who are responsible for implementing and reviewing the strategies in this COVIDSafe Event Checklist. This must include identifying staff whose role are to ensure that public health measures, such as physical distancing and general COVIDSafe behaviours are adhered to.	Implemented
Develop processes and materials to ensure that staff and volunteers attending the event are provided education and guidance on physical distancing, good personal hygiene and staying home from work if feeling unwell.	Implemented
When scheduling an event, consider potential for other events in the same local area which may use similar transport options, shared pathways and facilities.	Implemented
Event organisers must commit to supporting any public health investigations, and support any required actions requested by public health officials.	Implemented
Contingency planning must be documented in the scenario that an event needs to be cancelled, including communicating the cancellation to patrons.	Implemented
Tickets should be refundable if a ticket holder is unwell.	Not applicable
Develop a process to manage an attendee who develops symptoms	Implemented
The event's record keeping system must:	Not applicable
Attendee contact details must be retained for 28 days after the event, after which, information should be destroyed, unless there is another statutory requirement for retention.	Not applicable

COVIDSafe Event Checklist: Spectator management

Prior to the event, event organisers must communicate the following public health messages to attendees: **Implemented**

A reminder of public health measures must be included in the ticketing sales process, visible on the ticket or as an email reminder. **Implemented**

During the event, regularly to reinforce public health messages – use broadcast messages, signage, and staff/volunteers to communicate this information with attendees. **Implemented**

Where possible establish multiple zones within your event area to limit interaction between groups of attendees. You may consider assigning dedicated facilities for example allocated bathrooms to a specific zone. **Not applicable**

Ensure seating is clearly labelled to enable seating allocation. Groups who booked tickets together can sit together but they must be spaced at least 1.5m from other groups. **Not applicable**

Where seating is not numbered, clearly mark rows and seats that are to be left vacant. **Not applicable**

There must be visual cues to facilitate physical distancing, this includes: **Implemented**

Use visual cues to facilitate physical distancing: **Implemented**

Implement strategies to avoid crowding on public transport and at stops/stations. Where feasible, ensure there are adequate parking options for car-based travel. **Implemented**

Where an event could attract attendees, who do not have a ticket, the organiser must use a gated venue with designated points of entry and exit. **Not applicable**

Establish multiple entry and exit points to avoid queuing and ensure smooth attendee flow into the venue. Where multiple entry and exit points cannot be established, encourage staggered entry/ exit to avoid queuing; this could be done as part of pre-event communication. **Implemented**

Implement strategies to limit the potential for gathering near the venue or at entrances/exits. Encourage attendees to disperse from the event at its conclusion. **Implemented**

COVIDSafe Event Checklist: Environmental and personal hygiene

Undertake pre-event cleaning of communal facilities and high touch surfaces. Develop and implement a cleaning schedule to ensure frequent cleaning and disinfection of high touch surfaces and bathroom facilities. **Implemented**

At minimum, high touch surfaces must be cleaned at least twice per day and between groups in accordance with cleaning and disinfection guidelines. Additional cleaning of visibly soiled surfaces must occur as required. **Implemented**

Establish hygiene stations (with hand sanitiser) at entrances and throughout the venue to encourage hand hygiene of staff and attendees. **Implemented**

In prominent locations, display posters demonstrating personal hygiene and hand washing practices. **Implemented**

Ensure toilets are in working condition with running water for hand basins, soap and disposable hand towels/dryers. **Implemented**

Ensure enough toilets are available to avoid queuing. If queuing is likely, organiser must ensure there is physical distancing. **Implemented**

Designated smoking areas must enable physical distancing of 1.5 meters. **Implemented**

COVIDSafe Event Checklist: Staff, vendors and contractors

It is the responsibility of the event organiser to ensure that staff, including volunteers, vendors and contractors, understand and comply with COVIDSafe work practices, including training in COVIDSafe behaviours. **Implemented**

Workers and volunteers should complete the Staff Coronavirus (COVID-19) Health Questionnaire and not attend work when unwell. **Implemented**

Workers must have access to the appropriate personal protective equipment (PPE) throughout the event. **Implemented**

Share COVIDSafe Event Checklist with on-site vendors and contractors. Vendors and contractors should provide their COVIDSafe Plans to the event organiser. **Implemented**

Any food and beverage service must align with the Victorian Government's coronavirus (COVID-19) hospitality sector guidance and the Restricted Activity Directions. **Not applicable**

Queues at food and beverage vendors should facilitate physical distancing and not cross over with other queues. **Not applicable**

Reduce touch points during food and beverage service, such as using contactless payment methods and ensure service is occurring in well ventilated areas. **Not applicable**

Close communal self-serve and condiment stations. **Not applicable**

Where possible, food and beverages should be sold in packaging to avoid double handling. **Not applicable**

Take-away food and drinks must be consumed in allocated seats or 'picnic areas'. Food court-style seating is permitted if consistent with the Restricted Activity Directions guidelines. **Not applicable**
